

Andrew:

Never have the partners received such instant, unanimous, full-throated praise for an event like they got for Wednesday's golf outing. And so much credit goes to you and your passel of ex-Yankees.

Despite being able to play just half the course before biblical rains and wind began, everyone thought Graig, Jim and Goose were the true highlights of the day. They fascinated them at lunch with stories, opinions and Q&A, then played, signed dozens of photos and had cocktails with them after being driven inside by the weather, and finished off by charming everyone at their dinner tables.

It was great to see grown men sitting in awe. Thanks for helping make the day so memorable for so many clients and all the partners.
